

## PACO Members Donate to The Salvation Army

Over 50 pairs of gloves and hats were recently donated to The Salvation Army following PACO's Holiday Social at The Chiller in December. The annual Holiday Social is an opportunity for PACO members, their families and guests of the legal community to have a fun, exciting networking event. PACO strongly supports networking type events for its members as a way to get to know fellow paralegals as well as other legal professionals. Additionally, PACO utilized this event to also gather donations

for The Salvation Army. In the cold months of Ohio, donations such as gloves and hats are greatly appreciated.

The PACO Public Relations Committee wants to again thank the following Holiday Social sponsors: GOLD – Poling | Petrello, Columbus Bar Association, Baker Hostetler, Anderson Reporting, Capital University Law School, and National Corporate Research; SILVER - Rennillo Deposition & Discovery, Key Evidence, EDiscover-E, and Experis; BRONZE – IKON; GENERAL AND DRAWING DONORS – Jackie Grime, Jamie Imes, Lori Slaughter, Charity Crouse, Simone Carpino, Clicks, National Corporate Research, and Don Slowik (partner of Slowik & Robinson).
