## STUDENT LIAISON COMMITTEE INFO.

The Student Liaison Committee had a committee meeting on Thursday, September 29, 2005 to finalize the details for the upcoming Fall Student Drive. The committee has decided to present a more structured presentation to the students this year and have titled it "PACO: CONNECT - Come Make The Connection". During the presentation the committee will be presenting material to the students about: 1) The benefits of becoming a PACO member; 2) Outsourcing - how to get information you need from the other side of the country; 3) Technology in the paralegal field; 4) Jobs/Positions in the Columbus market and entry level paralegal positions; 5) A fun paralegal styled Jeopardy game the committee created; and 6) A panel of paralegals will be there to answer questions proposed by the students!

The dates currently scheduled for the Fall Student Drive are as follows:

October 4, 2005 - 11:00 a.m. - Academy of Court Reporting (day students)

October 5, 2005 - 5:00 p.m. - Academy of Court Reporting (night students)

October 8, 2005 - 12:00 noon - Columbus State Community College

October 11, 2005 - 5:00 p.m. - 7:00 p.m. - Capital University Career Fair

**DATE TO REMEMBER:** The next project the committee is also working on is the "First Annual Student Reception", scheduled for Thursday, November 3, 2005 from 6:00 p.m. to 8:00 p.m. to be held at the Columbus Bar Association. All PACO members will be invited and all of PACO's sustaining members will be invited. We would like a huge turn out for this event so that the paralegal students in the area can have the opportunity to meet and mingle with practicing paralegals and vendors whom are at their disposal by becoming members of PACO. This will also allow students to conduct mini-interviews with practicing paralegals which may be required of them for school assignments. Please mark your calendars and plan on attending this event. There will be FREE food and drinks!!!!

If you would like to become involved in the Student Liaison Committee, please contact Becky Cain, The Committee Chair of the Student Liaison Committee at [Cainr@nationwide.com](mailto:Cainr@nationwide.com) or 614-499-6152.

## PACO NEEDS YOU

**WANTED:** Parliamentarian. No experience required. Will train. No pay, but great benefits (to PACO). Contact [vp@pacoparalegals.org](mailto:vp@pacoparalegals.org) for more information.

It is NEVER too late to volunteer to serve on one of PACO's many committees or to lend a helping hand with one of our upcoming events. This does not have to be a long-term commitment, but we all benefit from the talent that our members can bring to the table when they volunteer to serve. Contact [vp@pacoparalegals.org](mailto:vp@pacoparalegals.org) and give me your name, a way to contact you and the committee in which you are interested. I will pass the information on to the appropriate committee chairperson.

# GENERAL MEETING INFO.

PACO is on a roll! Our last general membership meeting, promoting the topic of Unauthorized Practice of Law featured Allan Asbury, Secretary of the Board, the Board on the Unauthorized Practice of Law Supreme Court of Ohio. This meeting attracted over 80 members; many new faces and many seasoned members who were interested in learning more about this hot topic. Mr. Asbury spoke about the history of the UPL Board, the Complaint process for violations of UPL, civil penalties and case law development.

We were also honored to have one of our sustaining members, Clicks, as our featured vendor. Chris Yost, Erin Ralston and Kelie Hemphill of Clicks greeted members and entered everyone into a raffle for a spa package. They also provided information about the services that they provide. Clicks will be hosting the next Brown Bag Luncheon at the CBA on October 19, 2005 at noon. The topic is: Coding: Making You More Efficient.

We have many events planned in the next coming months. We are looking forward to seeing many new faces. We are presently planning our holiday social event and promise this year's event to be bigger and better than the last. Stay tuned for details!
