Years in business or in operation: 27 years.

Brief description of your business/organization: Since 1988, Spectrum Reporting has been a leader in the central-Ohio court reporting industry, offering best-in-class customer service, meticulous reporters, unparalleled videographers, and worry-free videoconferencing. Our mission is simple: to provide impeccable service at a fair price. To learn more, please give us a call or visit our website at <https://www.spectrumreporting.com/>.

Why do you support Paralegal Association of Central Ohio (PACO):

Spectrum recognizes and applauds the contribution that PACO makes to the legal community, so we're happy to do our part to make sure it continues to flourish. Not to mention they have a great group of individuals! Who could say no?
