SHORT-TERM VOLUNTEERS NEEDED!!!

Do you want to be more involved with PACO but have time limitations? Boy, do we all! There are a few upcoming events where we could use a few extra hands for planning and the commitment would be short-term. What better way to give back to the profession than by showing your support in the form of volunteering? There are two committees that are looking for someone like you:

Paralegal Day Planning Committee: We hold Paralegal Day in May each year. This assignment would be five months long. For more information, contact Erin Linville, PR Director at: PR@pacoparalegals.org.

Elections Committee: PACO holds their elections each June. This assignment would be about six months long to help screen candidates and run the election process. For more information, contact President@pacoparalegals.org.
