WELCOME!

The Paralegal Association of Central Ohio (PACO) started in 1973 as Legal Assistants of Central Ohio (LACO) - a professional association formed for legal assistants and paralegals throughout the Central Ohio area. In 1979, LACO became a voting member of the National Federation of Paralegal Associations and in 1995, changed its name to the Paralegal Association of Central Ohio. This new name more accurately reflected the growing trend to recognize the title "paralegal" as being synonymous with the education, experience, and substantive services provided by paralegals.

In 2004, PACO entered into an affiliation with the **Columbus Bar Association**, further fostering its involvement with the Central Ohio legal community. Having grown from only six members to over 300 members since its formation, PACO continues to thrive by keeping its membership informed on both local and national issues of importance to the profession.
